

Affiliates

Join the nBill affiliate programme and earn 15% commission on sales!

When you join our affiliate scheme, for every sale that is made by a user that is referred to us by you, we will pay you 15% of the total order value (including VAT). Simply sign up as an affiliate with us, login, get your link code, and publish it on your site. If a user clicks your link and later purchases nBill (even if it is up to 3 months later), you will receive 15% of the license fee. You can also earn an extra 5% commission for sales made by other affiliates that you introduce to us. Commission is paid monthly by Paypal - you must have a Paypal account to receive your commission. Please read the terms and conditions before you apply.
